CEATEC JAPAN 2015 Categories to be exhibited

Information & Communications Equipment/Mobile Devices
1 Mobile phones (Cellular phones, Smartphones, M2M communication modules, Public PHS) 2 Electronic tablet devices (Tablet PCs, Electronic dictionaries, Electronic books, Portable game players, others) 3 Wearable devices 4 Servers, storage 5 PCs 6 Disk storage units 7 Signage 8 Printers 9 Image scanners, OCRs 10 Banking terminals 11 Handy terminals 12 Wireless communication technologies and products (Bluetooth®, Ziqbee, NFC, TransferJet, Others), Wireless LAN technologies & products 13 Broadcasting equipment 14 Telephones (Conventional, Answering phones, Cordless handsets, Pay phones) 15 Push-button phone devices, Wireless phones for company offices, VoIP-GW *16 Other telephone application devices (Security and Disaster-prevention phones) 17 Fax machines *18 Other image communication devices (Video conferencing systems, Videophone terminals, etc.) *19 Other information communication equipment and terminals, related products and services
Communication Networking related
20 Electronic automatic exchange (Switching stations, PBX) 21 Transmission equipment (Digital transmission equipment, Modems, Passive optical network (PON), Master controller (MC)) *22 Other carrier equipment (High frequency terminal apparatus, CATV transmission equipment, etc.) 23 Fixed telecommunication equipment (Terrestrial, satellite) 24 Base station communications devices 25 Network connectors (Routers, LAN switches, Hubs) *26 Other network connectors (Repeaters, Gateway, LAN-related devices, etc.) 27 Components for communications equipment (Relays and relay related equipment) *28 Other communications network, related products and services
AV & Entertainment related
29 Video (High-definition and high-functional TVs, Projection displays, Off-screen type displays) 30 Recorders and Players (Recorders/Players , Home servers, Storage, others) 31 Video equipment (Digital cameras, Digital video cameras, Video equipment for medical use, etc.) 32 Car AVC products (Car navigation systems, others) 33 Audio equipment (Audio products, Surround systems, Audio players, High-resolution audio, etc.) 34 Home-use projectors, Home theater systems 35 Professional video systems, Oversized video system, Digital cinema 36 Game platforms *37 Other AV & entertainment, related products and services
IoT solutions, computer software and services
38 Cloud computing 39 Data management 40 Big data 41 Network services 42 Network technologies 43 Education/academic related systems/services 44 Public/financial systems/services 45 Distribution/logistics systems/services, Traceability systems 46 M2M related systems and services, M2M device related *47 Other solution services 48 Software 49 Applications 50 Content *51 Other software and content, related products and services
Security related
52 Cyber security, Defense technologies 53 Information security, Design and development, Operation management, Outsourcing services, Consulting *54 Other security related products and services

Automotive and Mobility related
55 EV, HEV, PHV, FCV, Electric-assisted bicycles, Next-generation vehicles 56 ITS, Telematics 57 Navigation 58 Automotive computers, In-car networking systems 59 Batteries, Energy systems, Smart mobility social systems, Environment-related technologies 60 Safety *61 Other mobility related products and services
Robotics related
62 Humanoid robots, Communication robots, Service robots, Autonomous transportation robots, Lifestyle-support robots, Autonomous mobile robots 63 Control technologies, Applied systems *64 Other robotics related products and services
Environment & Energy related
65 HEMS (Home energy management system) 66 BEMS (Building energy management system) 67 FEMS (Factory energy management system) 68 CEMS (Community energy management system) 69 Wireless power supply equipment/system 70 Renewable energy, New energy 71 Energy storage (backup for home use), energy saving (energy-saving appliances), energy generation (photovoltaic solar cells, fuel cells for the home), variety of fuels 72 Green IT (Energy-saving hardware, Energy-saving software, Services), eco-office *73 Other environment and energy related products and services
Healthcare related
74 Medical devices for the home, health-care equipment, beauty & grooming electronics, healthcare electronics 75 Fitness-related equipment 76 Remote medical systems, Medical information systems *77 Other healthcare-related products and services
Home Appliances
78 Kitchen electronics (Microwaves, Rice cookers, Refrigerators, etc.) 79 Consumer electric products, HVAC, LightingConsumer electric products, HVAC, Lighting 80 Designer electronics, Interiors *81 Other home appliance-related products and services
Social systems & leading-edge technology
82 Aerospace, Ships, Railroads 83 Broadcasting communications business 84 Construction related, Developers business 85 Logistics and distribution 86 Construction equipment, Agricultural equipment 87 Production/manufacturing technologies, Socio-infrastructure technologies, Agri-technologies, Industrial technologies 88 Nanoelectronics, Nanotechnology 89 Biometrics, Biotechnology 90 Science and technology, Leading-edge Technology, Element technology, Research presentations 91 Service-based businesses 92 Cross-sector cooperation, electoral assets, human resources 93 Municipal & regional industries 94 Books, Magazines, Software, Service 95 Education, Research 96 Publication
Other
*97 Other lifestyle & socio-related products and services not mentioned above
